WM. M. COMBS, OF JACKSON, Celebrates His 75th Birthday With 39 of His Family of 101.

Wm. M. Combs, one of the oldest citizens of Jackson, celebrated his 75th birthday, July 28th, with a large number of his children, grand children, and great grand-children. Counting the wives and husbands of the children and grandchildren the whole family numbers 101. Of 10 children seven are living. Of 57 grandchildren 48 are living, and of 27 great-grandchildren 24 are living. His oldest grandchild, S. E. Hager, has been a missionary in Japan for the past nine years and recently returned to Jackson on a short visit to his grandfather. The reunion of the family on Mr. Combs' birthday was arranged for by S. E. Hager before he left Japan.

Thirty-nine members of the family were present—11 from Wolfe and 28 from Breathitt county. Besides these there were present 12 friends of the family, making a company of 51 people. Many could not come on account of business and sickness. Rev. J. J. Dick-ey, an old friend, started but had to return home after reaching Lex-ington because of threatened ill-ness. The family of Stewart Hager were hindered by sickness. His wife and five children and Capt. Cope, his wife's father, an old citi-zen, are very sick.

A big dinner was spread, which all enjoyed. An interesting fea- ture of the occasion was the dis- tribution of presents from Japan. Mr. Combs received a valuable and very handsome lacquered box from his grandson and namesake, Wm. M. Hager, who was born in Japan in 1896. Mrs. Combs re- ceived a red lacquered waiter, and Mr. and Mrs. Combs received a nice set of Rogers' silver knives and forks and desert spoons, also an umbrella and some smaller presents. Each of his children re- ceived beautiful presents illustrat- ing Japanese arts and customs. Another interesting feature was an interesting talk by S. E. Hager upon Japanese manner of life-cus- toms and dress, which were illus- trated by various articles brought from Japan. Mrs. Hager and two of the children dressed in Japa- nese costumes and showed how the Japanese receive and entertain callers.

Every one enjoyed the day and were pleased to see Mr. Combs looking so hale and hearty on his 75th birthday. Each one wishes him many years yet of health and strength and we pray God's richest blessings upon him in his declin- ing years.—Jackson Hustler.

Catarrh Cannot be Cured
 with LOCAL APPLICATIONS, as they cannot reach the seat of the dis- ease. Catarrh is a blood or con- stitutional disease, and in order to cure it you must take internal reme- dies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, act- ing directly on the mucous sur- faces. The perfect combination of the two ingredients is what pro- duces such wonderful results in curing Catarrh. Send for testi- monials free.

Have Sued Kentucky.
 Attorney Harvey Myers, of Cov- ington, one day last week filed suits at Frankfort against the State of Kentucky for the Pettibone Man- ufacturing Company, of Cincin- nati, and the M. C. Lilly Company, of Columbus, Ohio, for a sum ag- gregating \$8,000 for uniforms and equipments furnished Kentucky State Guards in the last month of Governor Buckner's administra- tion, in 1891. The bills for the goods were not sent in till after Governor Brown was inaugurated in September, 1891, and he refused for some reason to approve any of the bills made by the state encamp- ment that year and they were never paid. The last session of the legislature passed a bill authoriz- ing the two Ohio firms to sue the state and test their claims in court.

His Sight Threatened.
 "While picnicking last month my 11-year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison off his hands into his eyes and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, De- Witt's Witch Hazel Salve is a sure cure. Relieves pain at once. Be- ware of counterfeits.

HON. JOHN B. CHENAULT Announces for State Auditor In the Following Circular Letter.

Dear Sir: Four years ago, at the solicitation of warm personal friends, and at the same time hop- ing to gratify an ambition of my own, I became a candidate for au- ditor of the State of Kentucky. After a somewhat active canvass I received in the convention held at Louisville in 1899, a most compli- mentary vote, being the only candi- date to contest the nomination with the present incumbent.

I am again a candidate for Au- ditor of State, subject to the action of the Democratic party, and I take this means of announcing my candidacy to you now.

My friends believe my many years experience in business qual- ify me for the duties of the position I seek, and if nominated and elected to this office I promise to faith- fully and impartially discharge its duties without fear or favor.

I have always taken an interest in politics and affiliated with the Democratic party only, and this is the only political position I have ever sought.

I would greatly value your sup- port, and any assistance you may give me will be gratefully appre- ciated and remembered.

Would be glad to hear from you, and hope to see you in my can- vass, which will be active and con- ducted upon Democratic principles.

Respectfully,
 JOHN B. CHENAULT.

Look Pleasant, Please.

Photographer C. C. Harlan, of Eaton, O., can do so now, though for years he couldn't, because he suffered untold agony from the worst form of indigestion. All physicians and medicines failed to help him till he tried Electric Bitters, which worked such won- ders for him that he declares they are a godsend to sufferers from dyspepsia and stomach troubles. Untried for diseases of the stom- ach, liver and kidneys, they build up and give new life to the whole system. Try them. Only 50c. Guaranteed and for sale by J. T. Day, Hazel Green, or S. S. Combs & Sons, Campton.

Hit From Behind.

Wood Ford, an aged farmer liv- ing near Glasgow Junction, Barren county, was on Wednesday week found in his corn field unconscious and with several wounds on his head. Not going to dinner his family became alarmed and after a search found him lying bathed in blood and a large club lying near him. When able to talk Ford said that a young farmer named Robt. Wilson, living near by, attacked him from the rear and inflicted his wounds with a club. A war- rant was issued for Wilson, but he could not be found. Ford is not likely to live.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. Allays inflammation, clears the head, soothes and strengthens the mu- cous membrane. Cures coughs, croup, throat and lung troubles. Absolutely safe. Acts immedi- ately. Children like it.

Deputy Sheriff Shilo Swango last Thursday arrested D. B. Nickell, of Gillmore creek, on the charge of sending a threatening letter to George Taubee. He was tried be- fore Judge Congleton and held to circuit court in the sum of \$500 bail, which he furnished.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the news- papers is sure to know of the wonder- ful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medi- cal triumph of the nine- teenth century, dis- covered after years of scientific research by Dr. Kilmer, the emi- nent kidney and blad- der specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not rec- ommended for everything but if you have kid- ney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Bing- hamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Coughing

"I was given up to die with quick consumption. I then began to use Ayer's Cherry Pectoral. I improved at once, and am now in perfect health."—Chas. E. Har- man, Gibbstown, N. Y.

It's too risky, playing with your cough.

The first thing you know it will be down deep in your lungs and the play will be over. Be- gin early with Ayer's Cherry Pectoral and stop the cough.

Three doses: 25c., 50c., \$1.00. All druggists.

THE GREATEST EVENT

Of the Year for Sunday School Workers.

The State Convention, which meets at Hokinville, August 19, 20 and 21, is the greatest event of the year for Sunday school work- ers of the State. It is here that the leading workers of all denom- inations gather for information and inspiration.

Under the leadership of such men as Lawrence, Hamill and Phil- lips there is no limit to the good that is to be accomplished. The program is as strong as it is pos- sible to make it, both as to speak- ers and subject matter. What more need be said to induce every Sunday school to send its full quota of delegates. Each Sunday school is entitled to at least one delegate, and to one additional for every 100 enrolled. These are chosen by the school, and to be sent as representatives of the school. In addition to these, each county is entitled to 10 delegates at large. These are to be chosen by county officers and sent to represent the county. All ministers are ex-offi- cio delegates. All these delegates are entitled to the reduced rate of one fare for the round trip, and to free entertainment while there. As soon as appointed, the names of delegates who want entertainment should be sent to Mrs. T. C. Under- wood, Hopkinsville, Ky. For com- plete program and other informa- tion, address E. A. Fox, General Secretary, Louisville, Ky.

To My Friends.

It is with joy I tell you what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words can not tell the good it has done me. A neighbor had dyspepsia so that he had tried most everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Ia. Health and strength, of mind and body, depend on the stomach and normal activ- ity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol di- gests any good food you eat. Take a dose after meals.

Beautifying the Fair Grounds.

At their meeting last fall the directors of the Kentucky Trotting Horse Breeders Association at Lex- ington decided to spend \$25,000 on improvements. About \$10,000 of that amount has already been spent in buildings and other improve- ments. The remainder will be in- vested in buildings and ground or- namentation right away. Already a contract has been let for 20,000 square feet of concrete to be put in and around the big grand stand and the grounds are to be other- wise beautified. All the roadways are to be newly laid out, macada- mized and rolled. New model barns will be built and everything repainted, including the grand stand. Flower beds are to be placed where they will show off to ad- vantage and the art of the landscape gardener will be brought to play in many directions. Work was begun on the new improvements last week and they will all be ready by the Elks Fair, August 11 to 16, inclusive.

It Needs a Tonic.

There are times when your liver needs a tonic. Don't give purga- tives that gripe and weaken. De- Witt's Little Early Risers expel all poison from the system and act as a tonic to the liver. W. Scott, 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. They never gripe or distress.

About People You Know.

From the Jackson Hustler.]
 Granville Noble, of Toliver, was here on business Tuesday and Wed- nesday.

Rev. James Little, of Gillmore, visited his brother, C. J. Little, several days of this week.

Ben Murphy, a stock buyer of Morgan county, passed through town this week en route to the up- per part of the county to buy cat- tle.

Nathan Combs, Isaac Combs, Goodloe Combs and Mrs. C. O. Cardwell, of Wolfe county, visited their father, Wm. M. Combs, of this place, last week.

Several young ladies from Wolfe county are attending the Teachers' Institute here this week, one among the number being the beautiful and accomplished daughter of Z. T. Hurst, of Campton.

All Were Saved.

"For years I suffered such un- told misery from Bronchitis," writes J. H. Johnston, of Brough- ton, Ga., "that often I was unable to work. Then, when everything else failed, I was wholly cured by Dr. King's New Discovery for Con- sumption. My wife suffered in- tensely from Asthma, till it cured her, and all our experience goes to show it is the best Croup medicine in the world." A trial will con- vince you it's unrivaled for Throat and Lung diseases. Guaranteed bottles 50c and \$1.00. Trial bot- tles free at J. Taylor Day, Hazel Green, and S. S. Combs & Sons, Campton, drug stores.

Respect the Dead.

If you have the respect for your dead loved ones you will avail of the opportunity offered on Satur- day to show it by helping clean up the Hazel Green graveyard. The place is over run with briars and weeds, and is altogether unsightly. But if everybody who has a rela- tive's remains reposing in that little "City of the Dead" will re- port at that place early on Satur- day morning we can soon change the aspect of affairs, and show our dear departed ones that though no longer among us in the flesh they are not forgotten, and that our love for them prompts us always to "keep their graves green." If you cannot go in person send some one that will work to beautify the place. "Do ye unto others as ye would that they should do by you."

Shatters All Records.

Twice in hospital, F. A. Gullledge, Verbena, Ala., paid a vast sum to doctors to cure a severe case of piles, causing 24 tumors. When all failed, Bucklen's Arnica Salve soon cured him. Subdues inflam- mation, conquers aches, kills pain. Best salve in the world. 25c. at J. Taylor Day, Hazel Green, or S. S. Combs & Sons, Campton drug stores.

A Nice Bunch of Cattle.

Sebron Walters last week bought of Bill Patrick, of Johnson fork, a 2-year-old heifer and two year- ling steers, for which he paid \$63; from Al Rudd, of the same neigh- borhood, he bought one 2-year-old heifer and four yearling steers, at \$100 the bunch; from Clay Keo- ton he got six 2-and-3-year-old steers at \$150, and from John Andy Wagers he purchased two year- lings and two 3-year-olds for \$101.25. Total number cattle 18, at an aggregate cost of \$423.25, or an average of a fraction over \$23.50 per head. But the bunch is as nice as ever driven to market from the mountains, and Mr. Wal- ters ought to make a good profit on his purchase.

Just Look at Her.

Whence came that sprightly step, faultless skin, rich, rosy complex- ion, smiling face? She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result—all organs active, diges- tion good, no headaches, no chance for "blues." Try them yourself. 25 cents at J. T. Day, Hazel Green, or S. S. Combs & Sons, Campton, druggists.

A number of the young folks of the Sunny Side neighborhood at- tended the pounding of Uncle Os- car Fallen and wife Monday night, they having recently located in Dickville. After the pounding the young folks enjoyed a general so- cial and all-round nice time.

Prof. Cord and family left Wed- nesday morning for Mason county, where Mrs. Cord, Robert and the baby will visit among the profes- sor's relatives for some weeks, and in the meantime Prof. Cord will canvass the interior of the state in the interest of the academy.

J. J. Connell, William Piper, Mrs. John T. McMillan, Mrs. W. F. Talbott and son Raymond, of Paris, and Mrs. V. D. Dodson, of Millersburg, are recuperating at Swango spring.

OUR young friend, the editor of the CAMPTON COURIER department of this paper, Benj. Sewell, esq., says in explanation of the elimination of his editorial last week, that the article "condemned the condition of affairs in Breathitt." So do we; so does every good citizen in the land. Aye, we not only condemn it but we deeply deplore it. But we do not purpose to take issue with either of the factions, as he most assuredly did, by implication and innuendo. We should thus become a party to the feud on one side, thus sacrificing our anatomy to the aim of the abused faction and laying our paper liable to action at law from the same source. The greatest editor America ever produced, the lamented and learned Charles A. Dana, said "the game of journalism is to discriminate between what to leave out and what to put in, and generally the ability is displayed in that which is eliminated." However, Benny and we are now too close akin to quarrel. And "he's young yet; but he'll learn" that there is a vast difference between "a brave, courageous, perry man of grit" and a d—n fool.

We place the name of Hon. F. A. Hopkins, the Democratic nominee for Congress, at the head of our columns this week with the full assurance that he will be elected by the largest majority that has been recorded in the Tenth district in an off year for the last decade. And, furthermore, we put on record the prediction that he will do for the district at large as much good work as any of his predecessors, and in all acquit himself with honor to himself and credit to his constituency. Briefly, he will prove the peer of any member, and ever be one to whom we can point with pride.

The Kind You Have Always Bought
Bears the Signature of *Dr. J. C. Starnes*

After a continuous service of three years and one month our printer, John M. Decker, on Sunday, July 27, left us. Whether he went or his present whereabouts are equally unknown. Suffice it that circumstances over which he had no control caused him to go. Naturally we regretted to see him leave, and it was with much sorrow that he bade us good-bye. But aside from this personal feeling is another phase. We are thus compelled to get the paper out single-handed—furnish copy, set type, read and correct proof, make up the forms, feed the press, run the mauler, wrap and address the packages, &c., &c. Hence a half-sheet this week, but next week and after we hope to give you a full sheet, and with each week improve the paper. But to do this we must have money, and ALL must pay up at once—this week!

Keep It in Your Home,
And when the bowels fail to act properly, take a dose of LYON'S LAXATIVE SYRUP—it acts gently but effectually on the kidneys, liver and bowels; will keep your system in good working order and make your complexion clear.

Sold by J. C. Stamper, Grassy Creek
John Davidson and Mr. Townsend, of Daysboro, are this week taking care of the grass of their neighbor H. E. Oney, who is away teaching school. We cannot say that these gentlemen are absolutely perfect, for neither of 'em takes THE HERALD, but they are "shore" right neighbors, of whom any community should be plethoric with pride, and it always makes us feel good to record the deeds of such men. "As ye would that they should do by you, do ye also unto them" is here practically exemplified, and their neighborhood thus bettered by their existence.

Mrs. Ella Baird was lodged in jail at Vanceburg, one day last week, charged burning the residence of W. M. Scott. All the contents were consumed, and Mr. Scott, who is a cripple, had a narrow escape. It is said that a feud had existed between the families for months.

James Drake, of Torrington, who has charge of the public school at that place, has engaged Miss Mary Brennehan to assist him. We congratulate Mr. Drake upon the selection he has made, for Miss Mary is a fine young lady, and one in whom all Hazel Green has just pride.

Marion Hurt, whose mother lives in this state, was accidentally shot and killed by his partner, Dewitt Brown, at their hunting camp on Mad creek, near Steamboat Spring, Colorado.

A Generation Ago
Coffee could only be bought in bulk. The 20th Century way is the
Lion Coffee
way—sealed packages, always correct in weight, clean, fresh, uniform and retaining its rich flavor.

Judge Caleb May, the gentleman for whom Maytown was named, and an erstwhile prominent citizen of this section, passed through our town Monday morning en route to Lee City to visit his daughter, Mrs. Wellington Rose. Judge May left the Bill Clark farm and removed to Iowa 22 years ago, where he remained for a few years and then went to Kansas. He now lives at Ossawatimie, and we believe this is his first visit since he left a score of years ago. "Our man about town" heard him say Monday that he noted many improvements, and that once familiar scenes are now strange to him.

CAMPTON COURIER.
BEN SEWELL, EDITOR. VOLUME I.—NUMBER 12.

EDITORIAL EFFUSIONS.

The editorial matter for this department that was refused publication last week condemned the condition of affairs in Breathitt county. In justice to ourselves this explanation is necessary. Of course, it takes grit, nerve and courage to do some things, and before they are done it would pay to have a policy on your life, is the opinion of some "conservatives."

LOCAL LACONICS.

Rev. W. T. Tyler last Saturday went to Maytown, where he preached on Sunday.

The editor of THE COURIER is being congratulated on every hand for his editorials.

Z. T. Hurst, of Boxer, Breathitt county, was here Tuesday "boxing" around with friends.

Mrs. Lydia J. Stamper and daughter Bessie went to Ezel last week to visit relatives and friends.

Aunt Peggy Tolson, whose illness was reported last week, is no better, but is gradually growing weaker.

J. B. Hollen went to Holly on Monday to be at the bedside of his mother, who is dangerously ill at the home of J. A. Sewell.

County court convened here on Monday. Several people were in town, the necktieless horse-wearers being well represented.

Capt. W. L. Hurst and son Hannibal and daughters, Minnie and Sallie, left here Monday for Corydon, Ind., on a visit to relatives at that place.

Arcanus Brewer, oldest son of G. B. Brewer, of Holly, died July 29, of flux. He was a nice young man about 19 years of age, and a cousin to our editor.

The public school at this place opened up Monday with Prof. Geo. Clarke as principal teacher. The prospect for an aggressive, wide-awake, up-to-date successful school is very promising.

County Clerk Tutt reports the following marriage license issued: July 23, J. W. Maloney to Etta Edwards, Jack Hollon to Laura Cockerham; July 31, Monroe Banks to Cora E. Tester.

Hon. A. F. Byrd went to Winchester Monday on business. He contemplates moving to that place. As he is a splendid good citizen, we will regret to give him up, but it is minus one Democrat.

The Baptist foot-washing meeting at Stillwater on Sunday was well attended by Campton folks, among them being ye editor and wife, Harry Combs and his heart-charger Sallie Tutt, Cud Hanks and his intended, Florence Tutt, etc., etc.

Occasionally a pandemonium reigns supreme in Campton on account of pistol shots, hoots and yells. But we must act law-abiding, the fool and the coward, never registering a protest, and let Campton develop into a "Jackson" up and down.

When the campaign gets under headway the CAMPTON COURIER will be red-hot with Republicanism. Now is the time for Republicans to subscribe. Well peppered editorials are the life of a paper. Subscribe now and have your souls made glad with live, hot things.

Wm. C. Congleton, of Prineville, Oregon, is the guest of his brother, Judge J. W. Congleton, of Campton, and will remain in Kentucky a month before returning home. Mr. Congleton is well-to-do financially, and an all-around handsome good fellow. We say this much for him that the charming young Kentucky belles may give him a pleasant call and some one of them persuade him to tie himself hard and fast in the bonds of matrimony. A good little wife and THE HERALD are all he lacks to make his joy complete.

E. Tester, "Squire J. M. Taylor officiating. Here is wishing the happy couple much success.
Quite a large crowd attended the communion meeting at the old Baptist church Sunday, and good order prevailed.
Died, on the 4th inst., at the home of his daughter, Mrs. G. T. Center, David Rose. He had been an invalid many months. He leaves quite a large family and a host of friends to mourn his loss.
Aug. 4. PRESTO.

MORGAN COUNTY.

WEST LIBERTY WISPS.
Miss Teckley Baer, of Huntington, W. Va., is the guest of Mrs. Hattie Moore.

Abbe Smith is erecting a handsome dwelling in the Salyer addition, which will be an improvement to this already beautiful place.

Aunt Rebecca Wilson, of Caney, had the misfortune to fall quite a distance down a declivity one day last week, but fortunately was not hurt seriously.

Born, to the wife of Will Fletcher, of White Oak, on the 2nd inst., a boy—weight nine pounds. Dr. B. F. Carter was plenipotentiary extraordinary.

Dr. S. R. Collier left Sunday for the Ragland oil fields, to ascertain the quantity of oil in well number two of the Licking River Oil and Gas Company.

Will Carter, son of ex-Sheriff John S. Carter, and a daughter of Squire Henry Wells, were married on the first of August, Elder R. C. Maxey tying the knot.

Wilmore Kendall and Henry Cox have been on the sick list ever since the nomination of Hopkins. No doctor was needed. When the beverage that makes votes count had run out they felt better.

Miss Myrtle Filson, a musician of some reputation, of Mayesville, is the guest of Miss Leona Belle Carter this week, and on Sunday she gave a concert to the elite of this place. Her delightful singing and playing evoked admiration and compelled applause. Her program made the most direct appeal to the hearts of the listeners.

The young talent of this place, including Miss Beulah Thomas, are rehearsing a comedy entitled "Old Maids' Convention," under the supervision of Mrs. Lucy McGuire, of Morehead. The play is abundantly filled with fun, and should draw a large audience here as it did at Morehead. It will be put upon the boards the latter part of this month.

Mrs. Charles A. Atkinson, of Salyersville, entertained Miss Myrtle Filson, of Mayesville, and Miss Leona Belle Carter, of this place on Tuesday. The music of the evening was thoroughly enjoyable. Miss Filson beautifully rendered "O, Promise Me," and Ernest Atkinson's rich bass voice never was better displayed than while singing "Asleep in the deep."
Aug. 3. NOSLIW.

Born, to the wife of George Oldfield, of Grassy, on Friday night last, a 11-pound girl, and Dr. Nickell rejoices that it is another dis-franchised Democrat.
